CRITICAL ASSUMPTIONS

FINANCE PLAN ASSUMPTIONS:

1	Any changes to cast will require a comparable star with equal to or higher foreign numbers.
2	Film to be shot in Barbados with a 40% rebate
3	Chain of Title is in order and documentation available.
4	A new SPV will be created specifically for this movie. Significant escrowing of cast payroll, residual reserves and vendor deposits may be required. Financier should be aware that a request to advance funds will be front-loaded until the escrowed funds and deposits are utilized or returned.
5	Financial Model does not include revenue from: merchandising, convergent media, apps, mobile platforms, soundtrack, cross-promotional advertising, or other non-traditional sources.
6	Model may or may not include multiple partners. Finace group will be treated as one player.
7	Model assumes a completion bond is required.
8	Budget level assumes SAG Tier 2
